

**Highlights: 2003-2004****Launching of CSIR Network Project on Mathematical Modelling  
with two sub-tasks**

*Task-I: Computational Mechanics for Modelling, Analysis and Design  
of High-performance Structures, Materials and Process Applications*

*Task-II: Multi-scale Modelling Platform for Environmental Forecasting  
and Management*

**International Conference on Scale Interaction and Variability of  
Monsoon**

October, 2003 at Munnar, Kerala

**National Conference on Science and Technology for Regional  
Development**

February 2004 at Guwahati, Assam

**Signing of MoU between CSIR and Tezpur University**

January 2004

**Signing of MoU between CSIR and Cochin University**

March 2004

**Long-range High-resolution Dynamical Experimental Forecasts  
of Monsoon for 2004****Formulation of Multi-Institutional Project on Development of  
Integrated Cloud Modification Technology**
