Dear Ved Prakash,

The candidate by name Karthiga S is for the project AI-enabled Technologies & Systems (AITS) (HCP-0042) and not for GAP-1030. Hence kindly make this change.

Dear Recruiter,

I hope this email finds you well. I recently applied for the position of Project Associate - I: AI-enabled Technologies & Systems (AITS) (HCP-0042) (Position Code: PA-I/II/0042/02/2023). However, I noticed that I have been shortlisted for the position of Project Associate - I: Network Telescope Feed for Threat Intelligence Generation (GAP-1030) (Position Code: PA-I/II/1030/02/2023) instead.

I wanted to bring this to your attention and kindly request that you update my application status accordingly. I am still very interested in the position and remain confident that my skills and experience would make me a valuable addition to your team.

Thank you for your time and consideration. I look forward to hearing back from you soon.

Best regards,

Karthiga S
